Policy Statement | Updated August 2019 |

## Uniform Deposit Policy

*Hollandia realizes that participation in sport is costly, and we actively look for ways to reduce both cost for families and our ecological footprint. When the club provides uniforms we both keep costs down for families and reduce the number of kits produced for our club.*

### Purpose

The Equipment manager is responsible to oversee the provision of uniforms to each member of the club. While the club is prepared to replace the club kits periodically due to wear and tear, it is not fiscally responsible to replace club kits due to insufficient numbers resulting from non-returns. It significantly reduces costs when each kit is returned to the club at the end of the season. To off-set the costs of kits that haven't been returned at the end of the season, a \$65 deposit cheque will be submitted per player, to be cashed only if the kit isn't returned.

Club provided kits include a game jersey and shorts. Players are responsible to purchase their own training jersey and club approved socks. As part of reducing our ecological footprint, names are not to be put on jerseys or training jerseys so these can be reused by other players. Opportunities will be provided by the club to exchange gently used equipment among players and families. When club wide kit replacement occurs, the retired kit set will be donated to other organizations as appropriate.

### Procedures

1. A uniform from Hollandia Soccer Club consists of 1 jersey and 1 pair of shorts. Players are responsible to purchase club approved socks, and a training jersey. These items do not have to be purchased each season as long as they are in good condition.
2. Each player is to submit a uniform deposit cheque. Cheques are collected by the club at various pre-season events, including but not limited to:
  - a. In-person registration
  - b. Evaluations
  - c. Pre-season practices
3. \$65 Cheques are to be post-dated to April 1 for the indoor season and July 2 for the outdoor season.
4. If the player returns their uniform at the end of the season, their deposit will be destroyed at the end of the season.
5. If the player does not return their uniform, their deposit cheque will be cashed at the end of the season.
6. Any player that does not submit a cheque and does not return their uniform will not be in good standing with the club and will not be able to register for subsequent sections until they are in good standing again.
7. Players who are not in good standing can email the equipment manager at [equipment@hollandiasoccer.com](mailto:equipment@hollandiasoccer.com) to remedy their situation.
